Buzzin’

Words and music by A Smith and C Adler

Transposed by Justin Brown for www.justinbrownguitar.com

For the verses follow this chord sequence

C – D - Em / C – D - Em / C – D – G - Em / C – D - Em

Intro and Chorus:

C D Em
I met her at a backyard blockparty by the bar.
C D Em
And she kept lookin' at me like she knew who I was.
C D G Em
She was buzzin' all over me. She was buzzin' all over me.
C D Em
She was buzzin' all over me like she fell in love.

Verse:

Bang bang baby shot me in the heart, in the dark,
With the dart of the spark, when it hit.
When we me at the spot it was hot, like this song
Saw the thong, it was on. Now it's 8 in the mornin'
I move on like the Greyhound bus, I go town to town
And I prey on sluts.
I got to go, So scream out your area code.
I'm comin' all the way, live from the 310!

Bridge:

G
I gotta whole lot of love but none like you.
C
You make me wanna stay here in heaven with you.
D
I'll write your name in the sand, Put your hand with mine.
Come on baby, shoot your gun in the sky!

Repeat Chorus

There are 2 more of verses, bridges and choruses. You will be able to hear when so just follow the chord sequence for above.

The outro is just G - C -G – C – G – C – G etc

I love this tune!!!
