Words and music by Lily Allen (possibly???)

## Verse:

**Dm**  
Oh he treats me with respect, he says he loves me all the time  
**F**  
He calls me 15 times a day, he likes to make sure that I'm fine  
**Dm**  
You know I've never met a man who's made me feel quite so secure  
**F**  
He's not like all them other boys, they're all so dumb and immature

## Bridge:

**Dm**  
There's just one thing that's getting in the way  
**F**  
When we go up to bed you're just no good, it's such a shame  
**Dm**  
I look into your eyes I want to get to know you  
**F**  
And then you make this noise and it's apparent it's all over

## Chorus:

**Gm** **Bb**  
It's not fair and I think you're really mean  
**F** **C**  
I think you're really mean, I think you're really mean  
**Gm** **Bb**  
Oh you're supposed to care but you never make me scream  
**C**  
You never make me scream

**Gm** **Bb**  
Oh it's not fair and it's really not ok  
**F** **C**  
It's really not OK, it's really not ok  
**Gm** **Bb**  
Oh you're supposed to care but all you do is take  
**C**  
Yeah all you do is take

## Verse 2:

Oh I lie here in the wet patch, in the middle of the bed  
I'm feeling pretty damn hard done by, I spent ages giving head  
Then I remember all the nice things that you ever said to me  
Maybe I'm just overreacting maybe you're the one for me
