Maybe I just want to breath, Maybe I just dont believe
Em D Am7
Maybe youre the same as me, We see things theyll never see
Fmaj7
You and I are gonna live forever

(Repeat chords from first verses)

Maybe I dont really want to know, How your garden grows,
I just want to fly, Lately did you ever feel the pain,
In the morning rain, As it soaks it to the bone

(Repeat Chords from first chorus)

Maybe I will never be, All the things that I want to be
But now is not the time to cry, Nows the time to find out why
I think youre the same as me, We see things theyll never see
You and I are gonna live forever

Outro - (repeated)

Am Fmaj7
Were gonna live forever
