

# Wild Thing

Words and music by Chip Taylor

Transposed by Justin Brown for [www.justinbrownguitar.com](http://www.justinbrownguitar.com)

This version is an easier version than the original but is good enough to get you going and sounds very similar to 'The Troggs' version of the song

**A A D D E E**

Wild thing

**D D A A D D E E**

You make my heart sing

**D D A A D D E E**

You make everything... groovy

**D D A A D D E E**

Wild thing

**G A G A**

Wild thing, I...think I love you

**G A G A**

But I wanna know for sure

**G A G A**

So come on, and hold me tight

**G A G A**

I love you

**From this point on the song just repeats the above. The final bars of the song are resting on the A chord, so experiment with some rhythms**

Wild thing

You make my heart sing

You make everything...groovy

Wild thing

Wild thing, I...think you move me

But I wanna know for sure

So come on, and hold me tight

You move me

Wild thing

You make my heart sing

You make everything...groovy

Wild thing

Come on, come on, wild thing

Shake it, shake it, wild thing

(repeat)
